

Emile Cohl Art Academy Rebranded as Emile Cohl Atelier

Emile Cohl Atelier is excited to share important news regarding the evolution of our company and how rebranding efforts will benefit its students and community partners. In support of additional services offered, ECA has been awarded the name Emile Cohl Atelier. The latter will allow for further distinguishing Emile Cohl Atelier's Los Angeles campus from the Ecole Emile Cohl location in France –two prestigious institutions in collaboration. Our commitment to communicative efforts remains one of our highest priorities.

All rebranding efforts will not affect or delay any current endeavors. Please note that ECA will be adopting new logos that better express our family of services and United States presence, starting April 1st, 2021. The future is bright for Emile Cohl Atelier.

About ECA

Emile Cohl Atelier is a social impact video game design and animation educational institution. ECA was founded in 2019 as a nonprofit in collaboration with Ecole Emile Cohl, a prestigious award-winning French institution established in 1984. ECA allocates merit-based scholarships to selected students admitted to its inclusive and rigorous program. In support of intellectual breadth, Emile Cohl Atelier provides technical and soft skills training as well as inroads to some of the fastest growing creative industries.
